

4.00pm to 8.00pm, Friday 14th July

Update!

Official Opening of the new Sports Hall

The official opening of the Sports Hall will take place at 3.45pm where paralympic twice Gold medallist and three times World Champion in Archery, Danielle Brown MBE, will perform the cutting of the ribbon.

Sports in the new Sports Hall

Danielle Brown MBE will be hanging around for a short time after the official proceedings.

We are also lucky to have England Netballer, **Natalie Panagarry** during the evening. Join her from 5pm to 6pm.

Halifax Rugby Team players will be with us for part of the evening. Try your hand at 'Running the Gauntlet' with them.

Lots of activities will be taking place in the new Sports Hall throughout the evening. Come along and simply join in!

'It's a Knockout' on the Top Field

There's still room for more teams to enter this competition.

This is a 'bouncy' assault course, but with nothing too arduous to contend with – it's all a bit of competitive fun!

Sign up for a team of 15 people, aged 11+ and give it a go. We ask that each team raises a minimum of £150 in sponsorship, which works out at each team member only having to raise £10 in sponsorship each. Teams can be made up of a mixture of students, friends and family.

Email Mrs Wright at the school for a Team Registration Form. Deadline for Team Registration is Friday 9th June. p.wright@nhgs.co.uk Sponsor forms will then be sent out to you.

Food, Drink and Artisan Village on the Lower Field

There will be a fabulous selection of external food and drink vendors to choose from whilst perusing the many artisan stalls selling their wares.

Live Music in the Sixth Form Common Room

Current and former students will be giving live performances. We have a lot of talented musicians at NHGS, so come and listen for yourselves.

Family Fun Games on the Lower Field

Join in lots of different family fun games being organised by NHGS Parents' Association. There will be something for all age ranges.

Who can attend?

Students, parents, family, friends, staff, governors and members of the local community. We want to make this a community wide event to celebrate the completion of two years of building work and the official opening of a much needed Sports Hall. The Sports Hall will be a community space outside of school hours.

Have you got your tickets yet?

The event is **FREE** to attend but you must **register for tickets online**. Go to Eventbrite online and look for 'NHGS Celebration Event', or better still, click on the following link:

Spread the word!

Let all your friends and family know about the event by sharing our Facebook Event page. We will be providing updates on here over the coming weeks as well as on our school website.
