

# NHGS Parents' Association

## The NHGS Parents' Association

As new parents to the school you may not yet have heard about the Parents' Association (PA). We are a friendly bunch of volunteer parents who organise a range of fun activities and events to raise much needed funds to support every pupil in the school. The PA is also a great way to meet other families and we like to invite you to join us!

## We need more help, your help!

There are lots of ways you can help out – volunteering, sponsorship, donating prizes or just coming along to our events.

If you have experience in areas or professions which you think could help us or if you have fundraising ideas, please let us know.

## Get involved:

Please consider joining our monthly prize draw for a chance of winning a first prize of £250, second - £150, third - £100 and fourth - £50. It only costs £5 per month. See our website for details.
